

Job Description

Role Title	Bedroom Fitters
Location	Wirral
Reporting To	Workshop Manager
Job Type	Full-Time Permanent
Salary Range	Negotiable

Role

Sliderobes are a long established and highly reputable provider of quality storage solutions with sales offices & factory workshops across the UK and Ireland. We are the market leader in our sector achieving this through delivery of exceptional customer service from start to finish.

As a Bedroom Fitter your role is crucial in installing bespoke furniture for our clients.

This is a fantastic opportunity for a dynamic person who loves working in a fast-paced environment with an eye for detail.

Responsibilities

- Install furniture in client's homes
- Collect furniture from manufacturing site for installation (using company vehicle)
- Protect client's premises during installation
- Ensure clients premises are left clean and all waste removed
- Quality control of own work to support RFT targets
- Support resolution of snagging/remedial issues raised by clients
- Support identifying and implementing Process Improvements
- Support manufacturing team when required
- Support other installation team members

Essential Personal Criteria

- Previous experience in installation of bespoke fitted furniture
- Carpentry experience > 3yrs
- Ability to read drawings
- Full clean driver's license
